MASTER DEGREE IN MEDICAL BIOTECHNOLOGIES

DIRECTOR: PROF. GIANLUCA GAIDANO

Via Solaroli, 17

28100 – Novara, Italy

director.medicalbiotech@uniupo.it

Novara, Wed, April 21st, 2021

***To the Applicants of the Master Degree in Medical
Biotechnologies at UPO***

Dear Applicant,

First of all, I hope that you and your family are well despite the SARS-CoV-2 pandemic that has been affecting a large part of our world. Here in Italy, we are progressively getting back to a “new normality”.

The Rector, myself and all of us at UPO (Università del Piemonte Orientale/University of Eastern Piedmont) wish to thank you very much for your interest in our Master Degree in Medical Biotechnologies. For this purpose we invite you to join me and our staff for an interactive online meeting in which we shall explain in detail our program. We shall also be glad to hear your questions and address them directly in the online meeting.

The online meeting (held through **googlemeetings**) will be held on

Thu, April 29, 2021 at 10:00 am CEST/Italy time (please check the corresponding time in your timezone. You can use <https://www.timeanddate.com/worldclock/converter.html> to check)

To join this UPO online meeting, please use this link: <https://meet.google.com/akm-suxq-zav?hs=122&authuser=0>

In the meantime, you may wish to familiarize with **Universitaly**, the website for enrolment and visa application: <https://www.universitaly.it/index.php/dashboard>

A brief tutorial (in English and Italian) to the Universitaly platform is also attached to this mail.

For any question or need, please contact us @ director.medicalbiotech@uniupo.it

Looking forward to meeting you soon online on Thursday April 29th, 2021,

Sincerely yours,

Gianluca Gaidano, MD, PhD

Professor of Hematology

Director, Master Degree in Medical Biotechnologies

Rector's Delegate for International Affairs

Università' del Piemonte Orientale / University of Eastern Piedmont
