What is the EDISU scholarship?

1. Accommodation
2. Scholarship
3. Restaurant service
But first of all, what do I need to participate?

A document called ISEE Parificata

and some Consular documents

How do I get Isee Parificata?

a. In an italian CAF Office (see list on edisu website)
b. If you are not in Italy and you don’t have someone who can go with your proxy...

you can submit a copy of all the required consular documents (including copy of your ID)
to EDISU Piemonte via ticket (in the section “ISEE/ECONOMIC REQUIREMENTS”). EDISU will contact a CAAF office under agreement for the elaboration of the ISEE Parificato certificate. REMEMBER TO SIGN IT AND SEND IT BACK
Which are the required documents? (page 8 of guidelines)

- family members certificate*
- income of the family for 2019*
- bank statement of all the members of the family (+ YOURS) at December 31st, 2019 (translated in English)
- bank transactions for 365 days before the request for all the members of the family (+ YOURS)
- Buildings and land possession - if applicable at 31st December 2019 (translated and legalized by the Italian Embassy)

Be Careful…

* these documents are valid up to 6 months from the issuing date because information included may change.

NO ATTORNEY/AFFIDAVIT ACCEPTED!

SPECIAL NOTE: for those who have a passport with only the given name and not the family name, BE CAREFUL in your visa request… don’t split your name, but fill the request with ONLY the given name.
How do I submit the ISEE Parificato to EDISU? (page 11)

Using the post service (registered mail with return receipt or delivery by carrier/courier) or you can bring it to the Students Office/Sportello Unico.

If you send the documents using the postal service you must write your SURNAME and NAME (in this order!) and “D.C. a.y. 2021/2022” on the folder, and send it to the following address:

EDISU PIEMONTE, Via Madama Cristina 83, 10126, TORINO, Italy.

Beware! The submission of the ISEE Parificato certificate is not enough to complete the application: you must submit also the original consular documents above. The documents must be submitted by the established deadlines.

Let’s revise the steps so far:

1. Collect all the consular documents
2. Contact EDISU via ticketing to request the ISEE Parificato
3. Arrive in Italy before the deadline and go to EDISU DESKS or send all the documents via mail within the deadline

PLEASE: for any ticket to EDISU allow at least 2 working days for the reply, don’t send multiple requests or you will cause a general delay in all the answer.
